

OCCUPATIONAL HEALTH & SAFETY POLICY STATEMENT

WSR Recycling Ltd is an independent, family owned waste management business providing both waste transfer, materials recycling and skip hire services to a range of public & business sectors and domestic customers across Merseyside, Cheshire and Greater Manchester.

Due to the nature of our activities and associated occupational health & safety risks, the Board of Directors are committed to achieving the highest possible standards of occupational health & safety. This commitment is essential to the future of our business and, as such, we aim to continue conformance with the occupational health and safety management system BS OHSAS 18001:2007.

Our occupational health & safety integrated policy manual and all related supporting procedures, instructions and records are designed to establish, document and maintain our safety management system and to continually improve our safety performance and standards.

In particular, WSR Recycling Ltd will:

- Implement the necessary procedures and control measures to support our commitment to the prevention of injury and ill health;**
- Comply with the requirements of all relevant occupational health and safety legislation and the requirements of organisations to which WSR subscribe;**
- Pursue a continuous occupational health and safety improvement programme which sets, monitors and reviews the achievement of meaningful occupational health and safety objectives and targets;**
- Consider and respond appropriately to occupational health and safety issues during all activities;**
- Regularly monitor our activities and review occupational health and safety performance;**
- Ensure that all employees and interested parties are made aware of relevant occupational health and safety arrangements and their responsibility to protect and safeguard the occupational health and safety of themselves and others at all times.**

In order to ensure the success of this policy the necessary resources both human and financial will be made available. In addition our policy statement is available to any interested parties and has been communicated to all employees to aid in their awareness of their individual occupational health & safety obligations.
